

The College of New Jersey

Both Graduate & Undergraduate
Certificate of Eligibility with Advanced Standing

2018

The goal of this report is to share the available state data on novice teachers that this Educator Preparation Provider (EPP) recommended for certification. To create the report, the New Jersey Department of Education (NJDOE) has synthesized data from multiple sources. A list of these sources is available at the end of this report. Unless otherwise indicated, the data used in this report represents a one year cohort of teachers who earned a Certificate of Eligibility with Advanced Standing (CEAS) in the 2015-2016 school year who may have been employed in the 2017-2018 school year in a New Jersey public school. For additional details see further explanation in the glossary on the last page.

This report provides information in the following key areas:

Evaluation Results

Evaluation Results

Evaluation data for certified program completers from the 2015-16 school year employed in the 2016-17 school year.

Summative Score

Summative scores are based on multiple measures of student achievement and teacher practice. While all teachers receive an annual summative evaluation, the components used to determine the summative score vary depending on the grades and subjects that educators teach.

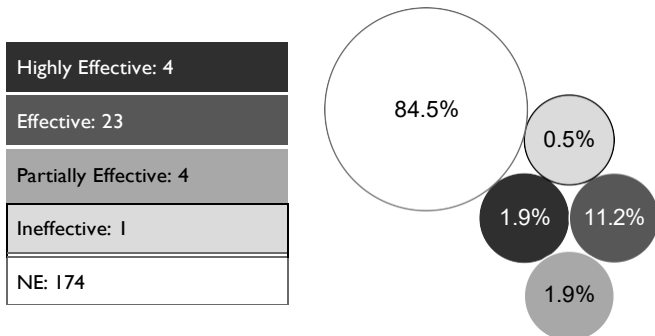

Teacher Practice Score

Practice is measured by performance on a teacher practice instrument, which is used to gather evidence primarily through classroom observations and pre/post-conferences. Districts have the flexibility to choose from a growing list of state-approved instruments.

Teacher SGP Score

Median Student Growth Percentile (mSGP) scores are one of the multiple measures of student achievement for qualifying teachers of 4th-8th-grade Language Arts and 4th-7th-grade Math.

Teacher SGO Score

The combined score for a teacher's Student Growth Objectives as assessed by the district's evaluation system for assigning teacher or principal performance ratings.

Note: Teachers classified as "NE (Not Evaluated)" are not included in the charts but are included in Counts.

Note: Data has been suppressed where the number of teachers is fewer than 10 to ensure the privacy of individual teachers.
